

December 2021

Greetings;

At this time Covid cases are increasing every day. Please wear a mask to the meeting.

The annual meeting is hereby warned for January 8, 2022 at 7:00pm. If the meeting is cancelled because of bad weather, the meeting will be held on January 15, 2022 at 7:00pm.

The election of Officers, Board of Directors, setting of dues, and other club business will be conducted. There will be an open position of Secretary, that will need to be filled.

The following by-law change will be voted on. This change was proposed to keep the integrity of the club intact. There was a gap in the term of the Officers and Board of Directors when the 2021 annual meeting was postponed due to Covid restrictions on public gatherings.

By-Law article V-B

**The Directors of the organization shall consist of at least nine members and shall include the officers. The Directors shall be elected or re-elected for a period of one year.**

By-Law article V-B proposed change

**The Directors of the organization shall consist of at least nine members and shall include the officers. The Directors shall be elected or re-elected until successors are elected.**

Please, we need more members to attend the monthly meetings. There are more than 400 members in this club. Typically, the officers, directors, and a few of the same other members are the only regular participants. All of the club business is decided by these few members.

We need younger members to attend meeting and actively participate in the running of the club. If this does not happen, the range will shut down in the near future.

Merry Christmas and Happy New Year.

Dick Odette  
President  
Precision Valley Fish and Game Association
